PRIMARY SCHOOL NEWS

Canon Esler Cup Newry Heat

The Saint Patrick's Primary School boys represented their school and club superbly today in winning the Newry Canon Esler Heat for the second year in a row. The boys played with great determination, heart and with a tremendous level of skill to win all their matches, beating the Meadow, Abbey, Ballyholland and Saval in the final. Everyone worked well as a part of a team and played their part whether in nets, defense or attack to secure great wins today. Throughout the four games, there were several positional changes and the boys rose to the challenge on each occasion. Thomas Cuthbert defended his line very well pulling off some terrific saves, especially in the crucial matches.

Defense was strong today, lead superbly by Darragh White who also popped up to score 3 long range points himself. He kept the newly introduced Brian Grant in line who was excellent today on his first appearance for the school team, and the full backs Mark Taylor, Declan Rooney and Jason Fegan also tackled well and kept their markers quiet on the score board. Mid-field worked well with the partnership of Thomas Hardy and Wyatt Mc Ateer, winning lots of possession and calling the shots from the center. Thomas hit a great point in the final to secure our victory but his strength today was definitely his 3 great blocks at vital stages of the match, when the game could go either way. Super stuff Thomas. The forward line were on fire today, hitting most shots on target with some excellent scores from difficult angles and from long range. Eoin Sherry scored the winner in the final sticking the ball in the corner of the net and won a lot of 50/50 ball today. Cathal Magee, Ben Mc Mahon and Conor Goss were very lively in attack setting up quite a few scores and Conor was unlucky not to hit over a fine point in the Abbey match. None of the teams could cope with the skill and talent of captain for the day, Keelan Mc Evoy, when he got the ball, no one could stop him running at the opposing defense and scoring 4-1, not only did he attack well, he also pulled off 2 super blocks to turn the game around. The star of the tournament was another first appearance on the school team,

Eoghan Woods, and what games he played. He definitely had his shooting boots on him today, scoring a personal tally of 4-8, he was lively, always an option for his team mates and never stopped working. A great first appearance Eoghan. Well Done to all the boys today, you were super and did your school very proud. Nothing's won yet however, big game next Friday in the South Down Final against Burren, so training again on Monday for all players.
