

Prayer for the Sick

Saint Anne, beloved patroness, I come to you with confidence as a sick person, not only because you are powerful and kind, but also because you have experienced life's oppressive trials.

Over the centuries, you have obtained from your Grandson Jesus instant relief for countless infirm and sick people. Pilgrims to Saint Anne have never ceased thanking you for such favours.

At this moment, you know I am suffering. But, I want to unite myself with the suffering Christ. I offer my pains to the Lord so that His redemption be accomplished in all their hearts.

I count on your intercession, Saint Anne, for courage and peace of mind. Do implore God to heal me, for everything is possible to Him and He answers your prayer.

I pray to you also on behalf of all the suffering and sick people of the world, especially those I know and assist personally.

Amen
