

PRAYER OF A HUSBAND AND WIFE

O Good Saint Anne, give us the grace to live together in holy peace and happiness.

Show us how to be patient and fore bearing, slow to speak unkindly and quick to forgive each other.

Let us be like the Holy Family of Nazareth, simple and peace loving, helpful to our neighbours, bearing cheerfully our share of the burdens, both of Church and State and setting a good example in our community.

Good Saint Anne and Saint Joachim, parents of Our Lady,
bless our children and family life.

Amen.
