Dear Parents

- Pamela from Sustrans is proposing a "Walk to School" on Wednesday of this week. Parents, Staff and children will assemble in Gorman's Car Park and leave for school on foot at 8.55 am sharp. Please encourage your child to participate.
- We are collecting Flora Tubs this month, each 50 will earn us an iPad, so please ask Family and Friends to help out by collecting the silver part (with code) from inside the promotional packs.. Please send them in as soon as possible as the closing date is 24th November.
- The Cash for Clobber Scheme last month raised £108, we are delighted and will repeat the initiative again soon i.e. pre Christmas so keep all your donations handy!
- A number of children are consistently arriving late for school. Please be mindful that this upsets the children at the beginning of the school day.
- Primary One parents – tonight's Maths Workshop begins at 7 pm - so far we have only received twelve replies. It is essential that all parents avail of this wonderful opportunity provided by Mrs Brenda Barron who is a specialist in the development of Maths at Primary Level, having worked as a Maths Adviser throughout the Education Authority (Southern region) before her return to St. Patrick's. I look forward to meeting you all tonight.

Yours sincerely

M. Ryan
