11th October 2016

Dear Parents/ Guardians,

In May 2017 the school will celebrate its 90th birthday. To celebrate this special anniversary we are planning to have a celebratory weekend in the third term. If you have any old photographs, school books we would love to have a copy of them for our displays of the school over the past ninety years. We are also seeking parents/ grandparents who would be available to come into school for an afternoon to talk to some of the children about their memories of the school.

If you have any photographs, art work, craft work or school books please send them into school. We will photocopy all photographs or school books and return them.

I am also seeking some volunteers to help me compile the exhibition. If you would like to help with the celebration or if you have any ideas please email me on nmagee351@c2kni.net

Thank you,

N. Magee
