A chairde,

I would like to offer a 6 week Irish language course for beginners. This would be ideal for anyone who wants to learn a cúpla focal or set a new challenge for themselves. The lessons will begin in September, location and times are to be confirmed, however the course will only run if there is enough interest. All proceeds will go towards my immersion project to Zambia with SERVE.

Please send a private message with any enquiries.

Le meas,

Colleen
